Hi Shahana! Attached please find the request for Hickory Hills for Thursday 9/30 as we previously discussed. Also, as we mentioned earlier, please add us on the agenda for the board/supervisors meeting on 9/7. As you can see, I have written on the request, that if the room is not available (due to Covid restrictions), we would like to request the parking lot. Please let me know if you need the \$100 damage bond and if we should give you the \$25 fee now or wait until we see if we can use the room or if we are using the parking lot.

Thank you again for all of your help and enjoy your holiday weekend!!
